

Federal Service for Supervision in the sphere of Health Care (Roszdravnadzor)

Features of admission of people, who
acquired medical and pharmaceutical
education in the foreign states to
medical practice

Shatskaya Nadezhda Vitalievna

**Deputy Head, Management department for the organization of the state quality
control of health care delivery to the population, Roszdravnadzor**

Main definitions

- **Medical activity** – professional activity on delivery of health care, carrying out medical examinations and medical surveys, sanitary and anti-epidemic (preventive) events and professional activity which is connected with transplantation (change) of organs and (or) tissues, donor blood and (or) its components in medical purposes
- **Certificate of a specialist** – a document of unified sample, which confirms compliance of the expert's training to the state educational standards

Main Normative Legal Acts

- ✓ **Federal Law Nr. 323-FZ from 21.11.2011 “About bases of health protection of citizens in the Russian Federation”**
- ✓ **Federal Law Nr. 273-FZ from 29.12.2012 “About education in the Russian Federation”**
- ✓ **Government Decree of the Russian Federation Nr. 119 from 07.02.1995 “On the procedure of admission of persons, who have acquired qualifications in medicine and pharmacy abroad to medical and pharmaceutical practice in the Russian Federation”**
- ✓ **Order of the Ministry of Health of the Russian Federation Nr. 284 from 26.07.2000 “About special examinations for the persons who received medical and pharmaceutical preparation in the foreign states”**

**Government Decree of the Russian Federation Nr. 119 from
07.02.1995 “On the procedure of admission of persons, who have
acquired qualifications in medicine and pharmacy abroad to
medical and pharmaceutical practice in the Russian Federation”**

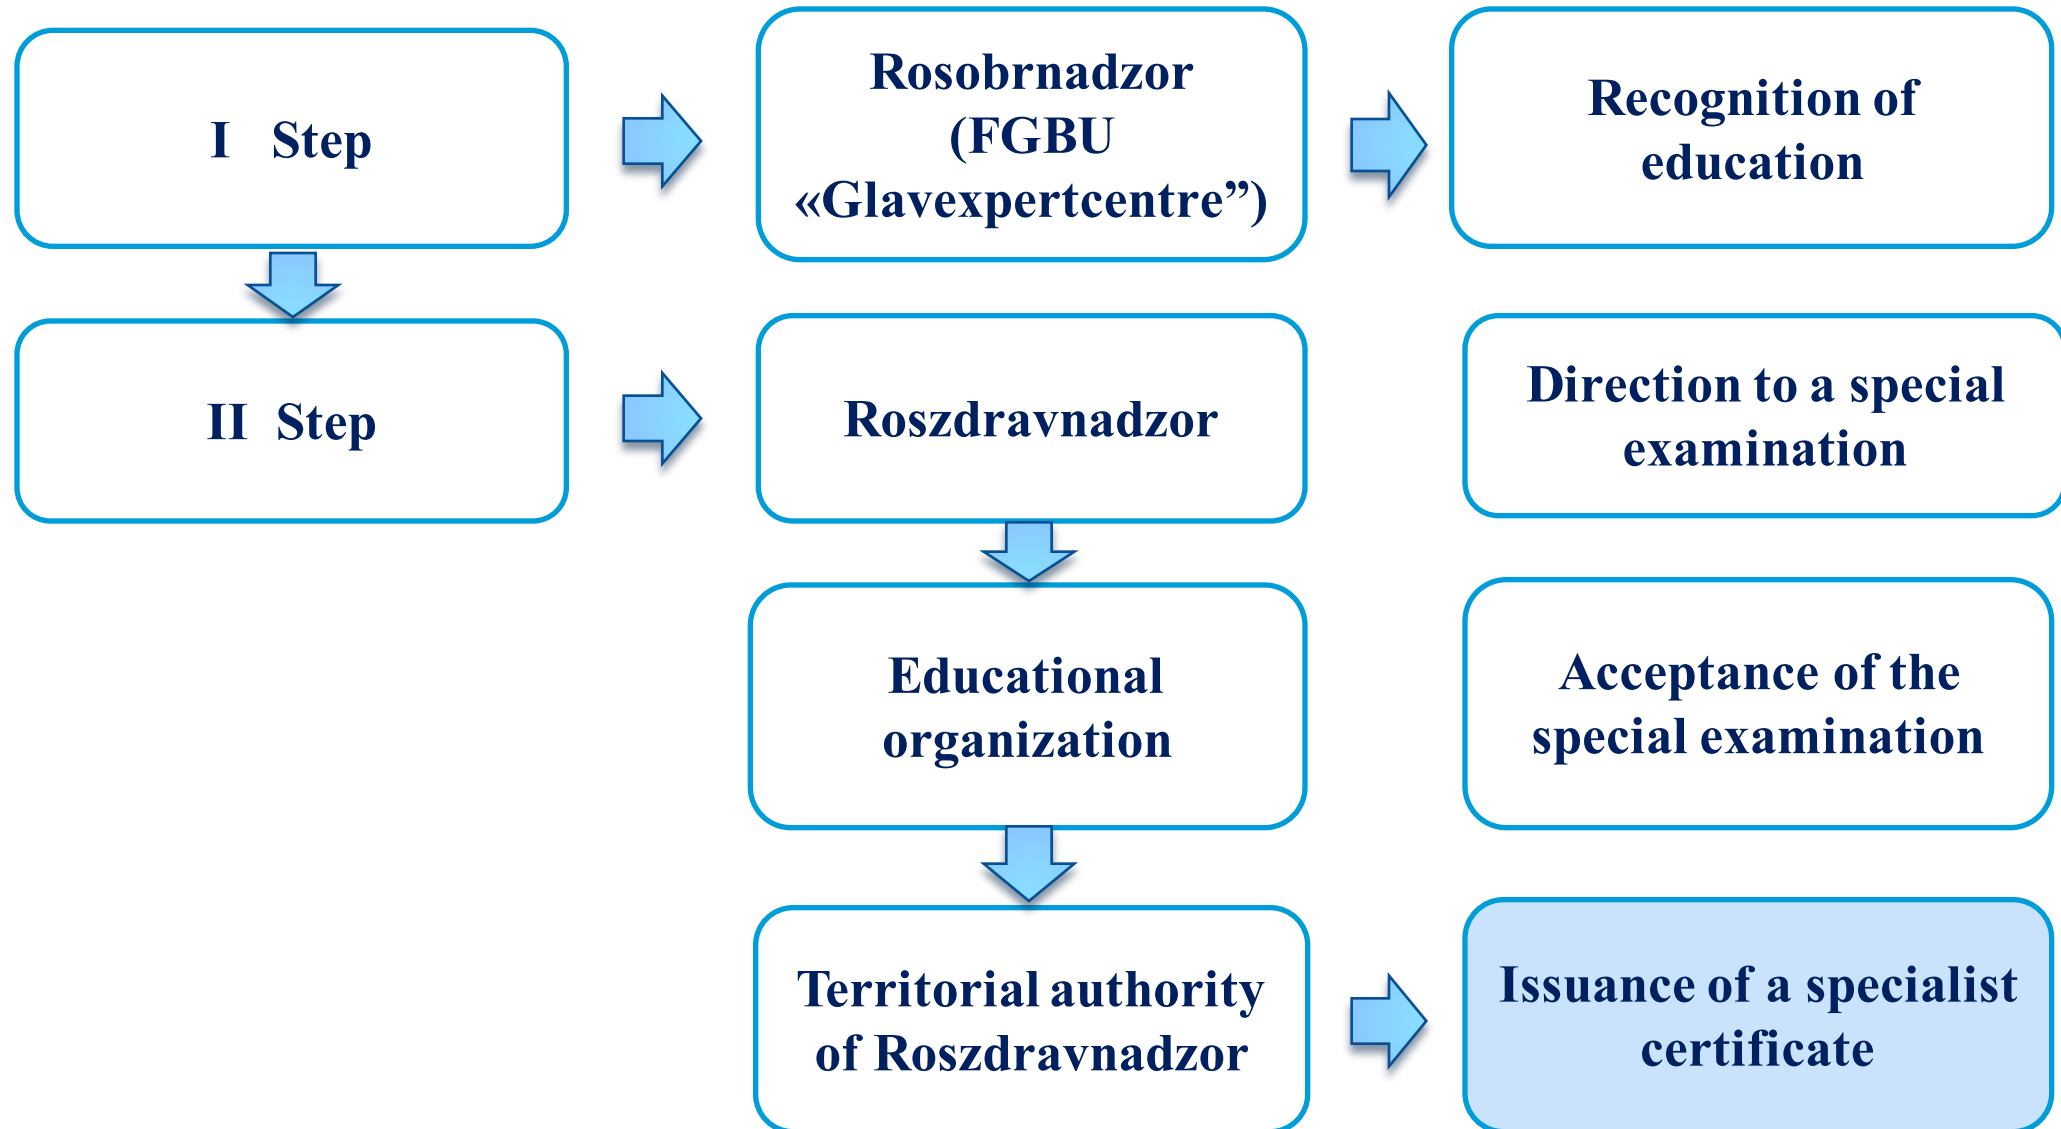

According to the Article 2 of the Decree:

- “People, who have acquired qualifications in medicine and pharmacy abroad, can be admitted to medical and pharmaceutical practice in the Russian Federation, provided that the Federal Government bodies of education together with the Federal Service for Supervision in health care will establish equivalence of education”

(as amended by the Government Decree Nr. 49 from 01.02.2005 and Nr. 882 from 04.09.2012)
